A word from the Principal...

Our society places great importance on competition, and at times, we can be really hard on ourselves when we haven’t lived up to the expectations we set for ourselves.

Competition can motivate us, but at the same time it can eat away at us from the inside out. When we compare ourselves to others, focusing on our deficiencies, or things that are superficial, we are allowing the life to be ‘zapped’ out of our systems. Jesus challenges us to look inside ourselves, get to know your special talents and use them for the ‘least’ in our society. Jesus pulled a child aside because children were valued least in that society, some Scripture scholars say.

If we really want to feel great, we can go out into the world and show the people who are not valued, just how valuable they are. Is your talent making people laugh? Develop it. Are you good at listening and offering comfort? Do that more often. Maybe you like building things. Give your time to help build something for someone who lives on the margins. Let your light shine!

"...Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves, Who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."

Wishing everyone a great week,

Mr Gregg Sharman

Footy Colours Day
On Thursday, 24th September, we will be having a footy colours day. Students are encouraged to come to school dressed in their favourite football colours.

Coming home with tonight’s newsletter is a special order form for the school canteen. This will be instead of Wednesday’s normal canteen day. Orders must be returned to school by next Tuesday 22nd September.

Year 5 and 6 students - Friday, 18th September
Our Year 5 and 6 students will be transported by bus to Smithton High School for a Motivational session on how media shapes young minds. We thank Keith Billing for inviting our students to attend this valuable session.

School Football
We have another match against the Circular Head Christian School this Friday at 1:15pm. We have also organised a match against St Brigid’s for the last day of Term 3 to be played at the Wynyard Football Ground.

Summer Uniform
Just a reminder for families that at the commencement of Term Four we will be moving into summer uniform. There will be a change over period of two weeks as of the start of the new term. Students will need to be in either full summer uniform or full winter uniform not a mixture of both. All students will be required to wear hats in the playground as part of our school Sun Smart Policy. Should you require any uniform items please see the office staff.

Riverbend
Riverbend forms now available from the school office for the Term Three holidays, they are also available online from www.riverbend.org.au.

Chalk and Parent Direct
Any families wishing to place orders from the Chalk or Parent Direct catalogues at the office, please return order forms by this Friday.

Earn and Learn
As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We’re now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week, please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have. Remember to check your handbag, the car glove box or they maybe stuck on the fridge. Every little bit helps.

Please note, only completed Woolworths Earn & Learn Sticker Sheets can be submitted with your schools claim. Woolworths Earn & Learn Sticker Sheets can be downloaded from https://www2.woolworthsonline.com.au/content/content/wk06-earnlearn-pdf.pdf, there are sheets available at the school office as well.
Please returned all Earn and Learn Stickers and sheets to school this Friday 18th September.

Learning Treasures
Thank you to all families who attended Learning Treasures on Monday. That was the last session for Term Three. Learning Treasures will recommence in the first week of Term Four.

Breakfast Club
Thank you to all of those families who have returned forms for our school Breakfast Club. Please keep sending these in, your help and donations are greatly appreciated. Donations can be left outside the office in the plastic tub.

Swimming Caps

Swim caps are made of thin material that gets damaged easily. They require gentle care and daily maintenance when used frequently. Here are some care guidelines that will keep your swim cap in top shape.

You Will Need:

♦ Water
♦ Towel
♦ Baby powder

Steps to Care for a Swim Cap:

1. After you finish your swim, rinse the cap with cool, clean water (not from the pool). Rinse it thoroughly to remove all of the chemicals and harmful chlorine.

2. Dry with a soft towel.

3. Hang the cap and allow it to air dry completely.

4. Before storing or packing the cap away, sprinkle baby powder inside. This will keep the cap from sticking together.

Additional Tips and Advice

♦ Avoid storing the cap when it is moist or even slightly damp as this will encourage mold growth.

♦ If you begin to see black dots or discoloration, it is time to replace the cap.

♦ Swim caps do not require any special cleaning products. Just gentle, consistent care.
