Dear ,

Many thanks for making enquiries regarding your child's baptism into the Catholic community. The Circular Head Parish welcomes you and offers our support as your family prepares for the Sacrament of Baptism. Below is some information to assist you in making this occasion special.

### **Practicalities:**

You will note that the 'Register Information Sheet' needs to be filled out and can be returned as soon as possible.

You will need a candle for the Child's Baptism. This can be purchased from the parish or you may buy a plain candle and decorate it yourself.

Photos and video can be taken during the ceremony and after the ceremony, there will be further opportunities for family photos either in the Church or around the Baptismal font.

An offering is given for the Church office and to the priest who celebrates your child's baptism and the suggested offering is \$40.00. This can be placed in an envelope and given to the priest on the day.

We look forward to celebrating with you and your family the baptism of your child, and would hope that our celebration of the Sacrament of Baptism is an important and significant time for you and your family in the Catholic community.

Yours Sincerely,

Fr Alex Obiorah,

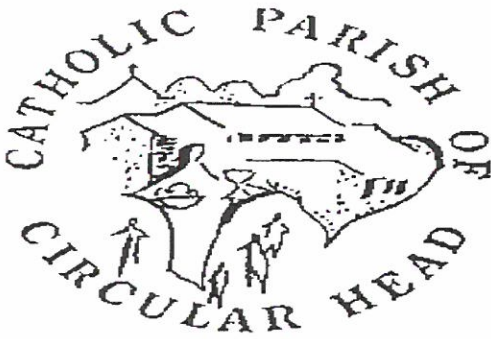

Parish Administrator
